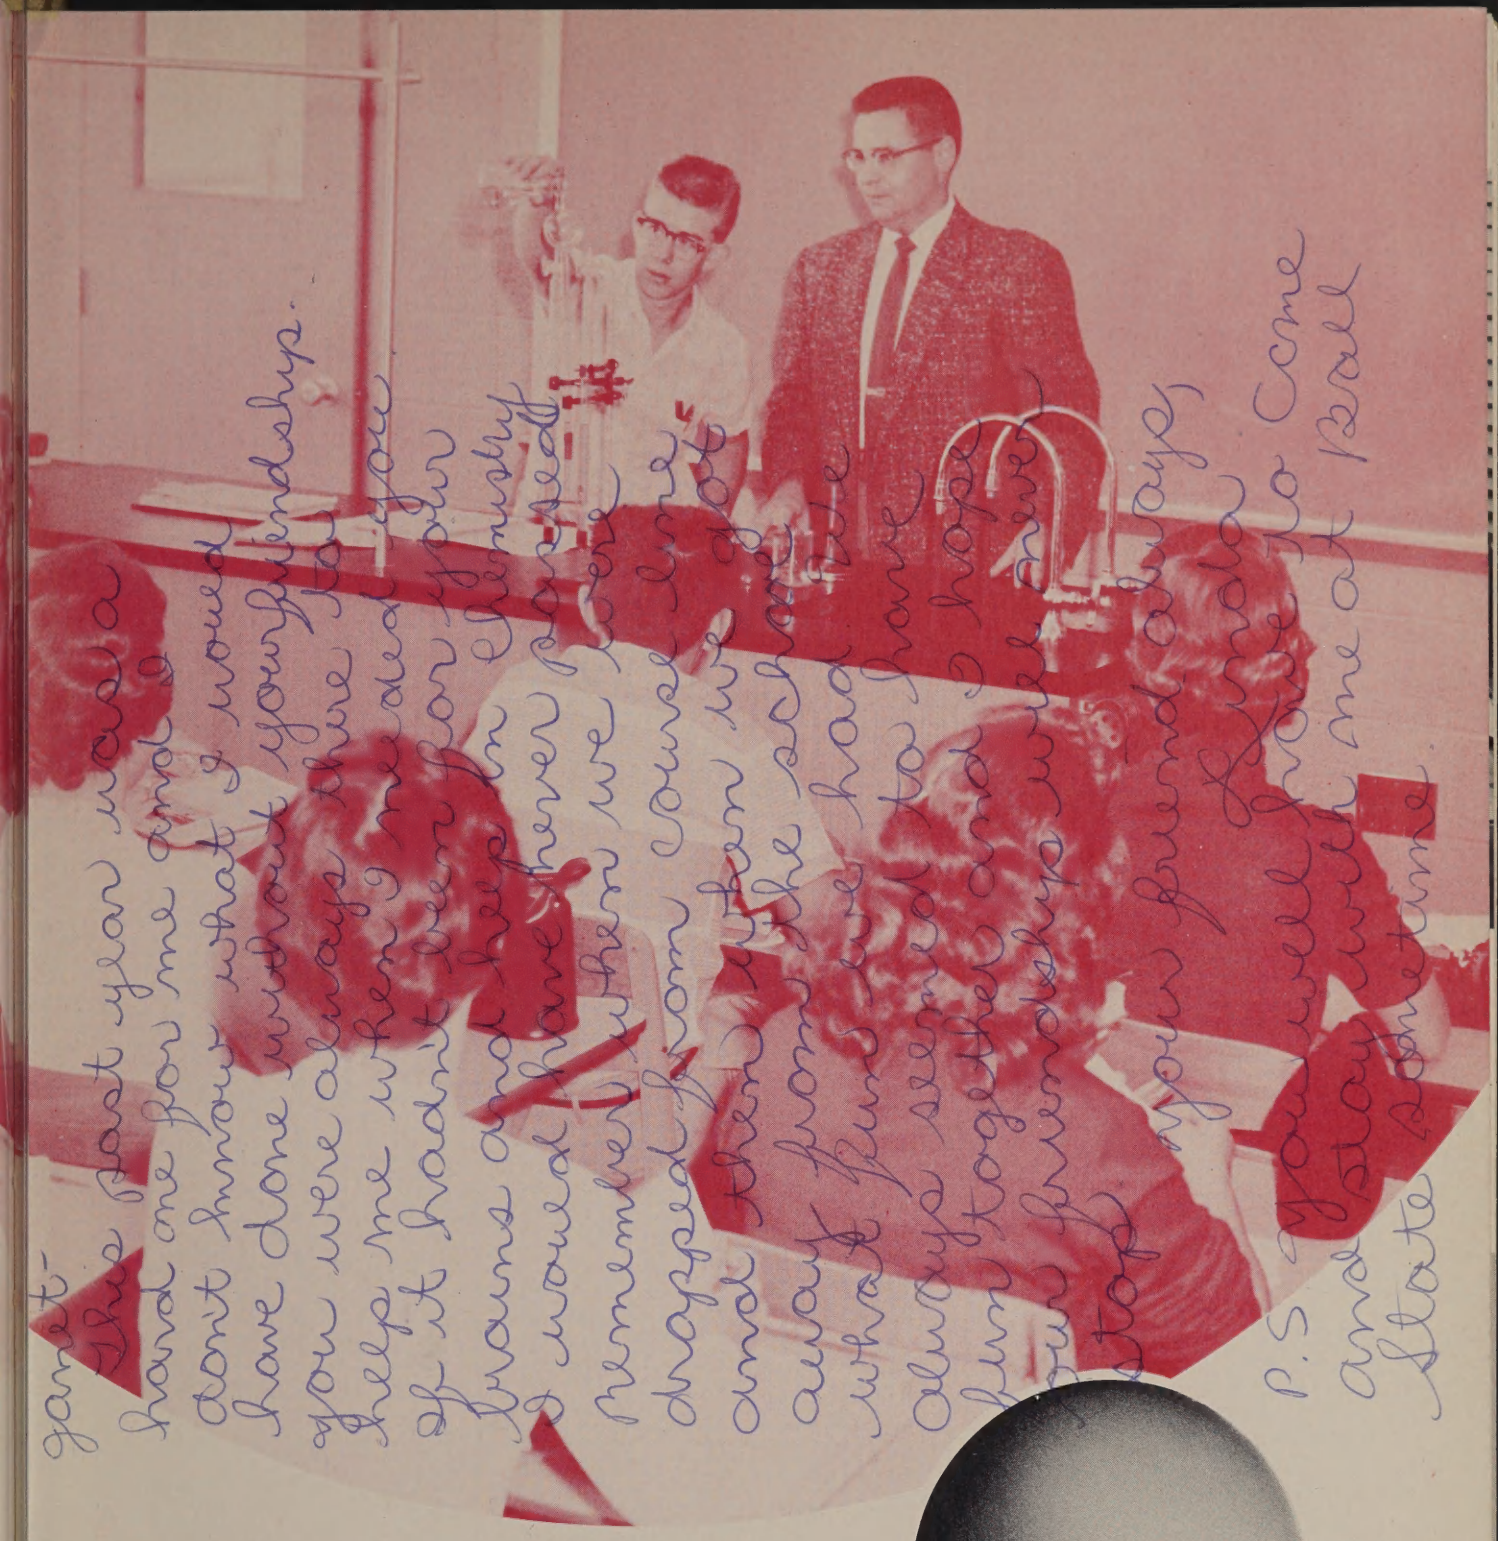
No one at Madison Heights wastes a second of those "few precious minutes of freedom" before school begins in the morning. Students can be seen eating, studying, socializing, walking, primping, and just plain having a good time.



The members of the first period Chemistry class are listening attentively, and sympathetically, as Tom Lamb demonstrates an experiment, knowing full well that their time is coming soon!

FOREWORD

We, the staff of the Treasure Chest, in order to brighten dimming memories, recount joyous experiences, and recall loyal friendships, give to you, the students of Madison Heights, your 1958 yearbook.

If, in the years to come, the happenings recorded here will have gained a significance and meaning not now seen, we will feel that our efforts have not been in vain.

DEDICATED *to*

"You cannot disobey the laws of God or man without someday having to pay for it." These were the first words we heard on that September morning, our first day in Mr. Hunt's class. You who have not been fortunate enough to be in one of Mr. Hunt's classes will someday understand what is meant by this.

"What kind of man is this?" we wondered. But we soon learned. Here is a man who has taught us fair play, prepared us for living in an adult world, and shown us the way to live a Christian life. Proudly and affectionately, we dedicate this 1958 issue to Mr. George Hunt.

CINDERALLA BALL PROM THEME

"Cinderalla Ball was the theme of the biggest most elaborate dance of the year which was given by the hard working juniors on May 16 in Linder's ballroom. To the unique surroundings of the "Cinderalla Ball" came charming couples to dance to the captivating music of the Phi Mu Crew at the 1958 Junior Prom.

Miss Pam Ellison, Attendant

Miss Lucy Sargent, Attendant

PRETTY JANE CROZIER NAMED QUEEN OF 1958 JUNIOR PROM

Though the decorations were very beautiful, the most impressive sight of the whole evening was the crowning of the prom queen, Jane Crozier, who was chosen by the junior boys to reign over the "Cinderalla Ball". Adding the final touches of beauty to a most successful prom were Pam Ellison and Lucy Sargent.

Monday morning we celebrated the victories of the previous Saturday.

This is a house? Well, anyway it's the beginning of one that is being built by the building trades class. The house is located on Halford Street.

We were entertained at the halftimes of most of our home games by the band and majorettes. This is one of the snappy routines performed by the majorettes.

Miss Linda Scezney, representative of Sophomore Y-Teens, was elected Queen of the DeMolay Sweetheart Ball, held on February 15th at Linder's.

ATHLETICS

COACHES

Mr. LaRue, Mr. Gruber, Mr. Horevay, Mr. Lallathin, Mr. Bradford, Mr. Jones, Mr. Gordon.

The success of any athletic program depends on the leadership of its coaching staff. Although this is just the second year at Madison Heights, the coaches have worked hard and have led us to many wonderful victories.

Last fall the Sport Parade began with football and cross country. Football was very ably coached by Mr. Wayne Gruber, assisted by Mr. Kenneth LaRue. Mr. James Jones was the coach of the cross country team, and a very fine coach was he.

November came, and with the basketball season, a new crop of coaches appeared. Mr. Paul Bradford began work with the varsity, with Mr. Marvin Gordon as an assistant. Mr. Gordon also coached the reserves. But that isn't all. There are also Junior High coaches. The ninth grade was coached by Mr. Jones, the eighth grade by Mr. John Horevay, and the seventh grade by Mr. Bernard Lallathin.

During the winter months, we acquired an interest in wrestling. The wrestling squad was coached by Mr. LaRue.

Then came spring, with golf and track. Mr. Gordon was the coach of the golf team, and Mr. Gruber, assisted by Mr. LaRue, was in charge of the track squad.

Many thanks to our competent coaches!

This is the pep session before the sectional. The walking float shown was put on by Concert Choir. The theme was "Hail to our Pirate King". Just look at that school spirit!

This was the first year of varsity competition for our young football squad. The team was under the able direction of head coach, Wayne Gruber, and the assistant coach, Kenneth LaRue.

The first game of the season was with the strong Panthers of North Central. Although our unexperienced Pirates seemed to lose ground throughout the game, it was necessary to note the tightening of our Pirate defense the second half which held the rugged Panthers to two touchdowns. Final score: North Central 40; Madison Heights 0.

It was a black September night when our small band of Pirates treked to New Castle to meet the mighty Trojans of the North Central Conference. Our Pirates began to march the ball down the field and made many scoring threats only to be turned back by fumbles and miscues. The much bigger Trojans finally won out over our Pirates by a score of 39 to 0.

The Hagerstown team scored early in the game against our Pirates and it looked as if it would be another bad night. Hagerstown began to move again, but there to stop them was our Pirate forward wall. Time after time, all through the game, our linemen would crash through to turn their would-be gains into long losses. Then the Pirates began their own drive and marched the length of the field to score. Another rally by the Pirates later in the game fell short just as the clock ran out. Final: Hagerstown 13; Madison Heights 6.

A state-ranked Noblesville met our Pirates in the next game. Noblesville, classified as the number one offensive team in the state, overran our Pirates 48 to 0.

The Highlanders scored twice in the first half of their game with us and our blood-thirsty Pirates sought revenge in the second half. The Pirates broke out from the kickoff and scored twice in five minutes. The Highlanders were stopped cold at every attempt to move our rugged line and our Pirate backfield continually made long gains by slashes off tackle, drives through the middle, and end runs. Our mighty Pirates tasted victory for the first time - 34 to 12.

The next encounter was with the powerful Wood team of Indianapolis. The bigger Wood team outclassed our Pirates 41 to 0.

The Tigers of Alexandria was the next team to face the Pirates. They scored easily but were quickly met by the Pirate line which held strong then on. The Pirates fought back again and again until the game was tied 12 all. A last minute Pirate rally fell short of the goal line, and the Tigers scored with seconds left to play. Tigers 18; Pirates 12.

The last game with Warren Central was an inspired game for the Pirates. The Pirate squad played good rough football the whole game through and deservingly came up with a victory by a score of 27 to 12.

The Pirates finished the season with a two-win six-loss record, which is highly commendable for a first-year football team. They showed steady improvement throughout the season and have much promise for a fine team next year.

The freshman fielded a football team for the first time last fall. One win was registered over Mississenewa, one tie with Highland reserves, and four losses to Central of Anderson, South Side of Anderson, Elwood, and Westfield reserves.

A lot of experience was gained by this team despite the losses, as most of the players had never played football before.

Some individuals that should be heard from again in a couple of years on the varsity are; Larry King, backfield; Tom McMahan and Tim Werbe, backfield; Terry Brinson, end; Jim Miller, end; Don Bonner, center; Jim Taylor, Dave Paugh, Bill Bryant, Larry Wright, linemen; Tom Jones, quarterback.

The Seventh and Eighth Football

This marked the first year of junior high football at Madison Heights.

These young seventh and eighth grade Pirates made a fine showing for themselves during the season while marking up a 3 and 3 record. They were greatly handicaped in comparison with the teams they played because of little or no experience of the game. These brave young Pirates were also forced to play football in tennis shoes instead of football spikes which made their footing very slippery.

The team showed very steady improvement throughout the season and captured three of their last four games. This Pirate squad was under the efficient coaching of Mr. Horevay, and was assisted by Mr. Lallathin.

The Madison Heights varsity basketball team enjoyed a very successful season this year while compiling a 14 and 6 record. Much of the credit, which this team has earned, should go to our very capable Pirate Mentor, Coach Paul Bradford.

The Pirates were off to a fast start this year capturing their first game by a decisive 66 to 53 win over Wilkinson.

An unsuccessful stalling Walnut Grove five were the next victims of fall before our mighty Pirates. Pirates 50, Wolves 32.

After a disastrous first quarter in which our Pirates fell behind 22 to 6, the Pirates suffered their first loss to Middletown. Pirates 51, Cossacks 64.

Our Pirates hitting a .465 clip spelled defeat for the hapless Daleville Broncos. Pirates 74, Broncos 39.

The next four games of the Pirates campaign were long, bad, nightmares. Failure to hit from the field and free throw line, proved defeat even though our buccaneers were never outclassed. Pirates 43--Zionsville 46; Pirates 52--Windfall 55; Pirates 35--Highland 39; Pirates 59--North Central 66.

Our win hungry Pirates again sprang to life upsetting a high-flying Summitville team to the tune of 55 to 48.

The taste of victory was still fresh as our Pirates captured Yorktown 57 to 54.

Being unable to connect at the charity stripe brought the sixth and last defeat to our mighty Pirates. Pirates 54, Pendleton 56.

The last nine encounters of the season were inspired games for both the Pirate followers as well as the players. From the mediocre team that started the season, the Pirates grew to an unbeatable clan that was never more to be denied during regular season play.

The Pirates captured Jackson Central 46 to 44 and then immediately copped the Lapel tourney while coming from behind in each contest. Frankton fell before our Pirates 56 to 47 and then Hancock Central was dropped 82 to 51. A strong Lapel team was surpassed 66 to 57 and St. Marys also collapsed before the Pirates 67 to 64. The Pirates wrapped up the season by defeating Winchester 60 to 55 and overtaking Markleville 61 to 51.

GOLF

The golf team was the first athletic team from our school to gain state wide recognition. The Pirate linkmen placed fourth in the State meet held at Riverside golf course last May. The field had been narrowed to sixteen by the sectional held a week previously. Madison Heights placed second in the Ft. Wayne sectional to qualify for the final sixteen.

A good season record was posted by the golfers by winning 12 and losing 4, playing some of the toughest teams in the state.

Jimmy Harrold was the only senior lost from the state finalists of the last season. Returning lettermen include Jerry Williams, John Mills, Dick Armstrong, and Jack Hiday. With a better than average reserve team we should have a top notch golf team for several seasons.

The Madison Heights' baseball team made a great showing last year and show much promise for a strong team this year. The team playing together for the first time, posted an impressive 8 won 10 lost record. These diamond Pirates actually played two seasons of baseball last year while finishing third in the White River Conference. The Pirates' hitting during the spring was led by Earl Reed and Roger Skinner. The hitting in the fall was led by Bob Brenneke and Ted Arnold. Mr. Bradford was the leader of our Buccaneers and was assisted by Mr. Gordon. Our mighty Pirates have many lettermen returning to this year's team and should go far.

WRESTLING

Butch Hysong watching the world go by.

Under the guidance of Coach LaRue, our wrestling team has had a good year by winning three meets, losing eight, and placing Richard Delph and Ed Prather in the sectional with a 3rd and 4th, respectively. All but three boys will be back next year. These three boys are the high point men for the team and included co-captains Rich Delph, Tom Osburn, and Butch Hysong.

This year's reserve team will give added strength to next year's varsity. Among the boys who show added promise are: Doug Jones, Dennis McAshlan, Ted Jones, Mike Brown, Tim Thompson, Don Bonner, John Rodgers, Tim Barker, Bob McClintock, Bill Cook, and George Todd.

The Pirate cinder men won four triangular meets, places second in two triangular meets, places third in a quadrangular meet at Noblesville, and placed third behind Pendleton and Frankton in the conference meet.

Returning lettermen for 1958 include Phil Estep, Frank Kolde, John Byrne, Tom Campbell, Tom Carpenter, Richard Delph, Gary Doyle, and Ed Welker. These boys plus some good reserve boys and members of a strong freshman squad should bolster next year's team.

Row One: H. Brown, R. Griffith, C. Hammons. Row Two: E. Welker, D. Delong, J. Byrne, F. Kolde, T. Carpenter, T. Bolles, B. Kessler, L. Earley, and Mr. Jones - Coach.

CONFERENCE CHAMPS

Row One: Dave DeLong, Frank Kolde, Bob Kessler, Tom Carpenter, Tom Bolles, John Byrne, Larry Earley, Mr. Jones, kneeling.

The Madison Heights' Cross Country team, coached by Mr. Jim Jones, became the first athletic squad at Madison Heights to attain the distinction of conference champions as well as winning the first varsity trophy. In competing for the conference crown the harriers, paced by bare-foot Tom Carpenter, placed four runners in the first five positions and five placed in the first ten.

One of the highlights of the season occurred as the Pirate harriers rolled up a decisive victory over Richmond and New Castle. The meet took place on the New Castle course in a down-pour of rain.

Tom Carpenter placed first in the sectional meet to set a school record of 10:18.7 for the two mile run, and the Pirates finished third in the meet. This was the first time in the history of the sectional meet at Anderson that the third place team did not qualify for the state meet. Following Carpenter were DeLong, Kolde, Earley, Bolles, and Byrne respectively.
